

Cannon Matting Solutions

1 | SCRAPER

- Exterior usage or between two doors
- Aggressive scraper surface, which will capture the majority of dirt from the soles of shoes
- Does not absorb moisture, which facilitates maintenance

ASTRO-TURF

2 | WIPER/SCRAPER

- Interior usage or between two doors
- Irregular surface which traps the moderate dirt that was not captured at the scraper level
- Moderately retains water and moisture that may evaporate or be extracted later

MARATHON

3 | WIPER

- Interior usage
- Plays a major role in the retention of water and fine dust
- Minimizes the risk of slipping and falling related to wet entrances and corridors
